Santa's Computer Travels

Supplies

.....

- Crayons
- Scissors
- Glue or rubber cement
- Cotton or fiberfil

Directions

.....

- 1) Print out page 2. Color chimney pattern.
- 2) Cut out chimney. Fold along dotted lines.
- 3) Put glue on tab and glue the chimney together.
- 4) Place cotton (or fiberfil) on top of chimney.

Now you have a chimney for Santa to go down!
