Pinecone Christmas Tree

Supplies

- Pinecone*
- Empty spool of thread
- Glitter glue
- Little pom-poms

Directions

- 1) Glue spool to bottom of pinecone.
- 2) Glue glitter to pinecone tips. Let dry.
- 3) Glue little pom-poms to some of the tips.

*If gathering pinecones from outside, place on a cookie sheet and place in oven at 200–250° Fahrenheit for about 30 minutes to dry any excess moisture. Remove pinecones from oven and let cool for 30 minutes.

Now you have miniature Christmas tree!
You can put it on a table or desk, if you like!
